"A Place Called Monroe" DVD is once again available at our museum for \$12.00 each plus \$2.00 shipping. This wonderful production of Concord College was written and directed by Dr. Ron Ripley and narrated by Jeffery Pritt. With spectacular video, this DVD captures the exquisite beauty and uniqueness of Monroe County like no other. This is a great DVD for all who love and embrace our county and a great gift for anyone who wants to know what is so special about Monroe County.

"A Place Called Monroe" DVD is available at the MCHS Main Street museum. Own this special presentation of the treasures of Monroe County for yourself.

"Here is a place where the purple laurel blooms near crystal clear pure waters. There is a place where mountains and valleys are bathed in the gold of sunset and sunrises. There is a place where the nights are clear for heaven's lights to shine. A timeless place where yesterday is today and tomorrow will be yesterday. A place called Monroe."

Special thanks for our wonderful volunteers at the MCHS Museum who welcome visitors as well as local citizens in search of our history.

Museum hours are Tuesday through Saturday 10:00 a.m. to 4:00 p.m.
